Announcement of China Railway Group Limited on Entering into of the Strategic Cooperation Framework Agreement

The board of directors of China Railway Group Limited (the "Company") and all the directors hereby undertake that this announcement does not have any false or misleading statements or any material omissions, and assume the joint and several liability for the truthfulness, accuracy and completeness of the contents.

Important Information:

- Major risk and uncertainty on performance: this Agreement is only a guidance and basic document for the parties to commence strategic cooperation. The specific cooperation methods and cooperation projects will be negotiated and agreed separately. There are therefore still uncertainties in the implementation of this Agreement.
- Impact on the results of the listed company for the current year: The performance of this Agreement will not have a material impact on the operating results of the Company for the year 2018.

I. Basic Information on the Entering into of the Framework Agreement

On 26 July 2018, the Company and the Department of Transportation of Guizhou Province entered into the Strategic Cooperation Framework Agreement (hereinafter, this "**Agreement**" or this "**Cooperation Agreement**").

This Agreement is a cooperative framework agreement and is not required to be proposed to the board of directors or shareholders general meeting of the Company for approval at this stage. Upon confirmation of the details of investment cooperation, the Company will perform relevant decision-making and approval process according to the provisions and requirements of laws, regulations, normative documents and company policies, including the Rules Governing the Listing of Stocks on the Shanghai Stock Exchange and the Articles of Association.

II. Main Contents of the Framework Agreement

In accordance with the development plans and projects implementation of transportation infrastructure construction in Guizhou Province and in combination with the development strategies of the Company, the Company intends to invest RMB100 billion in the field of transportation infrastructure construction in Guizhou Province during the period of the 13th Five-Year Plan and commences comprehensive strategic cooperation with the Department of Transportation of Guizhou Province in terms of significant infrastructure investment and construction, including expressway, passenger (cargo) transportation hubs, water carriage, avionics and port area construction, ordinary highway etc. The specific cooperation models of projects include but not limit to PPP and EPC. The specific project will be negotiated based on the "case by case" principle. Rights and obligations of each party will be determined by the agreement of the specific project.

III. Impact on the Company

The entering into of this Cooperation Agreement will not have a material impact on the operating results of the Company for the year 2018. The entering into of this Cooperation Agreement meets the strategic development needs of the Company, and the parties will commence business cooperation as important strategic partners in accordance with the requirements of laws and regulations. The entering into of this Cooperation Agreement allows the Company to leverage on its business advantages in infrastructure construction and is beneficial to the Company's long-term development.

IV. Risk Reminder

The entering into of this Cooperation Agreement has laid a solid foundation for the future cooperation between the parties. However, this Agreement is only a guidance document for the parties to commence strategic cooperation. The specific cooperation methods and cooperation projects will be negotiated and agreed separately, at which point, the Company will, by taking into account the conditions of the specific projects, fulfil relevant decision-making process and information disclosure obligations in compliance with the relevant laws.

Investors should make investments rationally and beware of investment risks.

Notice is hereby given.
